

James William Tindill

May 5, 1938 - January 3, 2025

James "Jim" William Tindill Jr, 86, passed Jan. 3, 2025 in Birmingham, AL. Born May 5, 1938 in Kansas City, MO. Jim graduated from the University of Missouri School of Mines and Metallurgy with a B.S. in Chemical Engineering. He worked as a civilian contractor for the Navy developing rocket propellants where he narrowly avoided an explosion of the building he was working in. He transitioned to NASA helping to develop the fuel systems for the LEM (Lunar Excursion Module) and the Saturn 5 rocket. It was in Sandusky, OH, that he met the love of his life, Magdalene Anthony and they married in 1964. Jim and Maggie were married for 55 years. Working for NASA, Vulcan Materials, Rust International, and finally Lockwood Green as a contractor, Jim's work took them to Florida, Texas, Kansas, and eventually in 1981 to settle in Birmingham, AL. Remembered for his love of space, love of reading, and his love for the slide rule, Jim never "retired" from engineering. He instilled a passion for space and science in his children and grandchildren. He was preceded in death by his wife Maggie and his brother Richard. He is survived by his brothers John Tindill, and Mike Tindill, his children Elaine and Mike Rohr, Jennifer and Chris Webb, James and Ellen Tindill, Anthony and Carie Tindill, and four grandchildren Audrey and Atticus Webb and Ella and Mary Brenden Tindill. Funeral Service is planned for Saturday January 11 at Deerfoot Memorial Funeral Home, with visitation starting at 12:00 pm, Service at 1:00 pm. Interment will be Wednesday, January 15, 2025 at 2:00 pm at Jefferson Memorial Gardens. Contact Deerfoot Memorial Funeral Home 205-
