“ *Lauren I'm praying for you n your parents during this time. Jeremy was a true friend to me n Rob. He was like a brother to me. He always listen to me vent when I needed too. He helped me move in to our trailer in Odenville cause Rob was working. We laughed at each other trying to get thr boxspring off his truck , up the stairs n the trailer I can't tell you how many times we both had to stop to either catch a breathe or pick it back up cause one of us dropped it. I gonna miss you and I love you little brother.*
