“ Every week for the last 10 years you called and checked on me. Sometimes daily. When I didn't hear from you I called your phone and it was off. Something made me google your name and I found out one of my longest best friends was dealt the hand of the afterlife. I hate I didn't know and I didn't get to come say GoodBye.

You were an amazing friend and I'm blessed to call you just that. Rest In Peace and save me a seat near the band!

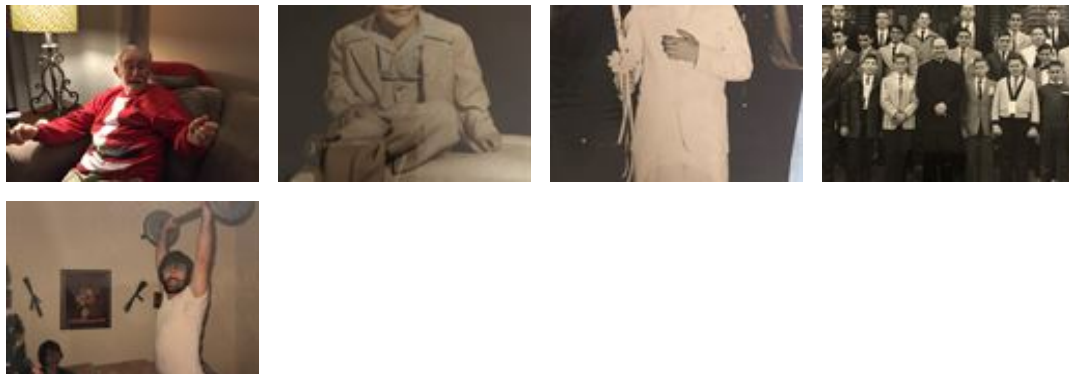

Love you JB!
