“ JD was a happy jolly man always laughing and joking around, he never met a stranger and was always the center of gatherings. I considered him a true friend big hearted and genuine. I enjoyed working with him, playing softball with him and hunting or just hanging out and talking. He will truly be missed but his memories will last forever, he loved his wife and family with all his heart , he was so proud of his family his children and grandchildren he always talked about them. God has truly gained a loving angel ❤️❤️❤️

“ JD what a wonderful jolly happy man ! He never met a stranger, always smiling laughing and joking around with anyone that came around him and it was very contagious!! I considered him a close friend and I am very sad of his passing, but I will always have the great memories of working playing softball hunting and just hanging out with him. I do know how much that he loved his wife and family, every time we talked he would brag about his family! His wife children and grandchildren were very very special to him . He will truly be missed but his loving heart and memory will never be forgotten ❤️

“ My thoughts and prayers are with the family. May God wrap His loving arms around you to help ease your pain.
He was a wonderful, funny, kind, considerate cousin who left many fond memories with me.
May every tear that falls bring a wonderful memory of your/our loved one.
