“ John and Jan were more than just my customers at Tameron Honda. They were like family. John always did the price part and Jan always got to choose the color. Jan was a fighter. She went through so much with the Lime. From not being able to walk to getting around again. We always had time to catch up when they came for their oil changes. I will miss them both!!!! Kay

“ John was an outstanding individual in every respect, and we had the privilege of attending the Sunday School Class that John taught at Central Park Ensley Presbyterian Church. No one did it better than John. We extend our condolences to the family.

“ I worked with and for John for many years. Those years were some of the best in my working career. John always had an upbeat outlook on things. We had worked together so long we could almost read each other's mind!

Paul and I send our sincere sympathy to all of his family.
