“ *Denise, Jimmy and Francis,*

I was so sorry to learn of Dakota's passing from my brother, David, today. I remember watching him with Aaron when they played ball at Trussville. I grew up on the same street Francis and Jim lived on, and I have known your family for a long time. Please know you are in my thoughts and prayers.

“ Oh what times I had with Dakota. From taking Deacon and June out to coonhunt with June's pup for the first time to hanging upside down in a tree to retrieve a dog from the base of a bluff at the deep river or trying to keep atvs upright over mountains we always had an adventure. I regret I can't attend the service since I am in hospital but the memories of a faithful friend who would do anything in the world for me are strong. With much love and sorrow -Marcus

I cannot believe it will be 1 year tomorrow since we lost you son. You are our families missing puzzle piece & the reason for this hole through my chest. I want to see your crooked grin again & hold those rough hands. Love & miss you Mom.
