“ I would remind him that he was older than I was because he was born on November 20th and I was born on November 22nd, 1935.

“ God bless and comfort all of you, Marie and the children. Joe was a special friend and I'll always remember his sweet countenance, his strength of character, his hard work and dedication, and his care and compassion for his friends and family. Joe was a kind, helpful employee to every customer for United Airlines. He could calm even the most challenging of situations, and his love for God and his family commanded his respect and care for everyone who had the privilege of knowing him. My life has been brighter knowing Joe, Marie and the entire family, and know my prayers and thoughts will be with you tomorrow and in the many days ahead. I am in charge of our Funeral Guild at our church and have a service tomorrow for one of our own and will be unable to attend, but I cherish the days I have been fortunate to call Joe and all of the Duncan family my friends. My heart hurts.
