“ *There are never enough words that heal a broken heart. Mine is broke. I know that heaven has a wonderful heart in it today. A part of Cat will live on in me and brighten my life. We could go months with out seeing each other and know that when we're needed the other was on their way. My heart will heal, but a piece has flown away.*

Debi DuBose - April 28, 2019 at 01:52 AM
