“ Mrs. Cook was such a tremendous part of my life from the time I was 8 years old up to the time she left this earth to be with her Lord & Savior, her precious daughter Tammy and Mr. Cook.

Tammy and I had a VERY SPECIAL relationship that will forever be a loving, happy, family oriented part of my life. Each and every one of Tammy's sisters were and will always be considered family to me. Brenda was definitely the closest to me, while Tammy and I were together it was always Brenda who was a constant loving part of our time together.

The entire Cook family took me in as one of their own and I will always be appreciative for the entire family's love and graciousness.

Desiree Ashworth is also a very special part of my life and always has been, she has a love for Mr. & Mrs. Cook that can be measured on the same scale as their own children.

I want to say Thank You to all of the Cook family for being one of the most incredible and special families I've ever had the pleasure of sharing my life and wonderful memories with.

With incredible heart felt love.
