“ I played music with Kenny for a few years when we were the 280 Band in Birmingham. My stage name was Chopper Jon Bores, Kenny just called me Chopper Bores. We shared an apartment for a couple of years until I was married and he was dating Judy, the love of his life. I used to love playing music with Kenny, he was a talented musician and singer, and by all accounts, one of the best friends I ever had. I have several pictures from back then, if the family would like to have them, they can contact me by e-mail , the280band89@yahoo.com. I wish I had known about this , I would have been there. Thanks, Chopper Jon
