“ I am so sorry to hear of Uncle Bud's passing. He was a truly kind man who loved us kids! I remember riding his motorcycle with him and riding in the back of his pickup truck to softball games and such. He was a fine example of Christian man who loved God and his family. God said "Hallelua you're home!" when Bud died! He is sorely missed!

“ I remember how much he smiled, all the time. I loved his laugh. I loved how he enjoyed hard work and was such a talented carpenter and builder. I remember my first ride on a motorcycle with him when I was young. Although I wasn't a member of the team, he invited me to play, with his girls softball he coached, while I visited them one summer. I miss Uncle Bud very much.
