“ *Sheri and Jerri,*

There are no words to express how heartbroken I am by Larry's passing. I adored Larry and thought of him like a "second Dad". Sheri and I are sisters at heart and, by default, that meant he was stuck with me. I have far too many embarrassing stories to recount, but I fondly remember the twinkle in Larry's eyes when we were caught in some type of mischief. I secretly wondered if he was impressed by our creativity or amused by our ability to get caught so easily. Perhaps it was a little of both. We are all better for having known him and I thank you for sharing him with me over the years. Love to all of you from Krissy, Russell and Zach Channen
