“ *When my mom was diagnosed with ovarian cancer and needed a sitter Lesa was a God sent. Mother was so comfortable with her and was so happy when Lesa was able to stay with her. I got to know her and we talked about family and oh how she loved her's. Lesa was there with our family when my mom left this world and helped us so much at that time. Prayers for all of her family and those that loved her.*

“ Dusty and Nycole, i have so many fond memories of your Mom. How much she loved both of y'all. Dusty she was so proud when you made her a grandmother. Jet Man meant the world to her. And Nicole when Alyna was born you would have thought there wasn't any other baby in this world. She was such a proud mother and grandmother!! You both made her so happy. I love y'all and will keep you in my prayers.

“*Rick, I'm so sorry for the loss of your sweet wife. Lesa was a wonderful woman. She was a giving person as so many people have already noted but, my relationship with Lesa was so personal. The way she took care of my best friend in her last days was so awesome. It was of course her mother, but it took a special person like Lesa to be there for her every minute. A lot of families don't have that bond to their parent as Lesa did. If I didn't love Lesa for any other reason I do love her for taking care of Betty so well. I love you Rick and I personally know how hard this is going to be for you. With God's help you will make it. Also, I'm just a phone call away.*
