“ I had the pleasure of meeting Lisa at Carol Bromley home several years ago. And again few months ago. Lisa was a very kind person and made you laugh. She talked about loving Alabama football and loved going to her grandkids games. She also said she was ready to go to Heaven to see her Mother and daughter, I know she will be greatly missed. My thoughts and prayers for the family. Love all!

Lisa was my best friend from elementary school to high school. We lost contact after I moved away, but she was a wonderful friend. I remember going on a vacation to Panama City with her and her family. We hung out at each other's house listening to music, riding our bikes and playing with a little black dog she had. A fun memory I have was learning to do a dance called the Bump. She was 6 ft and I was 5'2. It was hilarious! Prayers for all her family. I know she will be missed!

“ We met Lisa when Scott and Rebecca married. All that time she was friendly and polite to us and treated us like family. Lisa was a hard worker and dedicated to her job. We truly miss her already but we know she's with the Lord. We love Rebecca like a daughter and very proud of her and Scott especially the way they took care of Lisa after she became sick. Jeremiah ,Madelyn ,Micah and Graham will miss Grammy we know but they still have us for as long as we live. We will be there for you all. Will miss Lisa but we understand our loss is God's gain.

“ Lisa was one of the most caring person I have ever had the privilege to work along side, always had something to laugh about even when I would tell her that there are two words that just won't fit together in my vocabulary  
“Roll”and “Tide”  
Roll Tide Lisa!
