Lisa was 66 years old when she passed. She lived in Margaret, Alabama with her husband Jackie. She passed away on May 1st 2024 in her home surrounded by her kids and husband. Lisa passed away from complications from Dementia. She was born on November 9th, 1957 in Leeds, Alabama to her parents Joe Gettys Morse and Mary Evelyn Morse. Lisa had two sisters, Sharon Derryberry and Joanne Moseley. She was the baby of the family and she knew it and took full advantage of it.

She attended St. Clair County High School where she had many friends and was loved by all. Lisa married Jackie Neal Jimmerson on December 19th 1986 in her parent's home where they lived for the past 11 years in Margaret, Alabama. After High School, she attended Jeff State community college where she earned her business degree. After college she work for 7 years at the Spain Rehab facility and then transferred to the Department of Corrections and in 1983 and was on the team that opened the prison. Lisa was an avid softball player and coach, she was also an award winning arm wrestler, a fact that her son and grandsons and nephews can affirm. She loved to shop, give gifts and laugh a lot. But her favorite thing above all was singing songs to Jesus. She was

always involved in a choir or worship team until she could no longer do it. Her love for Jesus was evident in the way she lived her life. She was a walking example of what it meant to love others as you love yourself. She spent hours in prayer for her family, friends and church family. In her room are countless prayer notebooks that she created. She loved the Bible and cherished the holy words written in it and built her life around the truths and principals she discovered in its pages. Lisa was celebrated because of her achievements in every area that she was involved in but she would tell you that the greatest achievement in her life was being a devoted wife, a loving mother and grandmother.
