“ Tim, was a good friend of mine. We often talked about the fishing trip we took together in the North Sea. Our time at Hahn AFB Germany in the 1970's hold many happy memories, I will never forget you. Our most sincere condolences to the family. Ray Du Bois and Family

“ I didn't know Lowell that well when I was in the 20th AP/SP. I was on A flight and he was D Flight Commander. I then went into K9 and due to our schedule we rotated onto all four security flights. Lowell held guard mount with a cigar in his mouth and we called him Sgt. Mumbles. At our first reunion I came to know Lowell and we became great friends. I told him what we called him and he laughed and said that was a lot better than what others have called him. I will miss our phone visits, and will always remember him as a great friend, and supervisor of his troop.

“ *And Now We Say Goodbye*

*Great sadness fills our hearts today  
as pipes and drums, in slow march play  
A comrade's fallen by the way,  
And now we say goodbye.*

*This hero to the very end  
Was more than just a casual friend,  
Who would a stranger's life defend,  
And now we say goodbye.*

*But we shall cherish, all our days,  
The character this life portrayed  
With sacrifice so freely made,  
And now we say goodbye.*

*The hand salute, o'er Stars and Stripes,  
And distant skirl of highland pipes,  
Give last farewell with hero's rights,  
And now we say goodbye.*

*While here on Earth, you gave your best.  
Now in the Master's arms you rest.  
T'is by your memory we are blessed.  
And now we say goodbye.*

“ We were stationed with SMSgt (retired) Lowell Tillman and lived close to him and his family at Grand Forks, North Dakota in the early 1970s and stationed close to them later when they were stationed at Hahn AB, Germany. Hardworking good man. RIP Lowell Tillman.
