“ So many memories !! I will never forget her. Where to start would take forever. She was the hardest working , say it like it is! Sweet, she had a sparkle and energy around her. She was wise beyond her years. Her work ethic amazed me. She had a beautiful smile. She loved our son with all her heart. She made me laugh, I loved her spirit. She was talented, caring. We loved her and always loved having her here with us. She will be missed. My heart breaks into a million pieces. I hope she an Blaine have reunited and they can paint skies and cause mischief!!
RIP Madison Shea. She and my husband shared the same Birthday. That was cool. She always helped me clean the kitchen when she ate with us.. I can't say enough good things and I have such great memories.
Forever In our hearts you will remain!! Go fly high!
