“ Shawn and Kelly,  
*I am so very grateful to have spent time with Maggie. I was so blown away with her love, her energy, her openness, her generosity, and her smile! I will never forget the Easter egg Hunt - s!!!! that we had and how we laughed through them all! Her hugs, smiles, and love will be with me forever! She is a special angel who spread love wherever she went to all she met. She has touched so many lives and will continue doing that in the coming days. My love and prayers to you, Leslie (GiGi's friend)*
