“ I first met Margie before Chase was born in a place called Kathy Country Kitchen and Veronica was crawling on the table. Even though we would go time not seeing each other it was like she didn't skip a beat. She has kept my kids and in my wedding and been a part of my life for a long time. I will miss you dearly.

“ Well delegated memorial. You will be missed greatly momma Margie! Your love and guidance is something "Big" To me those will now be things I will proudly be able to show and teach my own children. Like a "family tradition." That honors your memory in the most humble way. Every chance I get, I will show my own or others the love and acceptance, you taught me. At first I will cry from time to time, but, it will definitely make me smile. A BIG smile because I was able to pass on one of the things that made you so happy here on earth. I love you Momma Margie, "Big" and thank you for giving me some of the most caring, accepting, and loving- adopted family- anyone cld ever have. God truly blessed me when He put yall in my purpose.
