“ *I will always remember playing with my cousins. (My Moms first cousins) on the McElroy home place. Oh what fun we had..... well, some of us, anyway. Mark and some others thought it was a lot of fun to hold me by the arms and let my feet dangle over the cow feed box and let the cows lick my feet. They also liked to lick me in the corn crib or pretend to be monsters in the hayloft. We also ate watermelon and snuck apples off the tree. My first friends. RIP. ❤️*
