“ I got word about Mary Alice just today, March 21. I am heartsick, but certain that she is safe with God. Though I met her just once, in 1969 (at my grandfather's funeral), she left a strong impression as a very nice and profoundly decent person. Many years later she purchased for our family a membership in the Historic Brattonsville Society. My mother Dorothy Stonecypher Watts (1931-2016) always thought very highly of Mary Alice, and would have wanted very much for us to acknowledge her rightly at this time, and so too do I, with my father Calvin, with deepest sympathy to her fine family.
