“ Matt always had a way of making me laugh.... he had a huge heart and when I lost my dad he was the first of all my customers that wrapped his arms around me and offered me his condolences.....

“ When I was moving 6 weeks ago and I needed help, it was you my youngest brother that came to the rescue ! 3 days straight after working every day and I know you were tired. I love you so much for! This is the most devastating thing our family has ever had to deal with thus far and where we go from here, I don't know? I do know that we'll be strong for you baby and we know you are here with us! I love you forever and always!!  
Your big sister ,  
Bunny! 🥺

“ Matthew shared a Love so strong for his Parents, you couldn't know just how much unless you witnessed yourself  
And the same for his siblings, and nieces and nephews along with other family members. It's above anything I've ever witnessed. Everyone should know this love in their Heart. I do and I have prayed my entire life for others to have this kind of unconditional Love  
I'm not trying to hurt anyone but Love, True Love doesn't cost anything. It comes naturally from the Heart. Families are meant to Love one another unconditionally. Like this family I'm so proud to call my family. All are my nieces and nephews, not cousins. Because I've always shared that special love with each and ❤️ every one of them. All families should be so close. Matthew Rest in Peace now. No more pain Sweetheart . Jesus needed a son like you. You will truly be missed. As Always, Love you, Aunt Bet.
