

## Michael Eric Parker

January 4, 1981 - February 27, 2020

Michael Eric Parker, 39, of Pinson, Alabama went home to be with the Lord on February 27, 2020 after a bravely fought illness. His devotion to his family and firm belief in God supported him in his struggle and ultimately gave him peace.

Eric is survived by his beautiful daughters, Madison and Avery; his grandmother, Doris Parker; his father, Mike Parker (Somnuek); his mother, Marilyn Cole (Jimmy); his sisters, Dana Stewart (Tim) and Nack Parker; his nephew, AJ Stewart; his niece, Ellie Parker Stewart; and a host of uncles, aunts, and cousins. He was preceded in death by his grandfathers; James Parker (Paw Paw) and Tommy Cole Sr.; and his grandmother Evelyn Cole.

Eric lived and ministered at Changed Lives Christian Center and he absolutely loved what God had for him there. He loved the men there with all that he was. He was a faithful employee at Dixieland Electric where he worked alongside his Uncle Bo and Aunt Ramona. He loved them as if they were his own parents.

Eric will be remembered by the many memories he leaves in the hearts of those who knew and loved him. The seeds he planted for the Lord will flourish for many years to come. Eric truly believed that to live Christ and to die is gain. We are hurting but he is with Jesus- healed, whole and forever happy.

“ I grew up with Eric in school and sport. What I remember most is playing baseball together. His father Mike coaching him while my father coached me. I will always miss those days and I will most definitely miss Eric.

*My friend you will always be missed. I know you're resting in peace now. I will always cherish the memories we had together.*

“ I lived at the CLCC with Eric for 8 months. I always had something positive to say and cared about the well being of others. He always was encouraging others and trying to lead them on their walk towards Christ. He was an amazing ambassador for Christ and went out with a blazing glory for his kingdom. He meant a lot to me and my recovery we shared in our faith with one another and I'll be eternally grateful for the friendship we had in such a short time.

“ I will always remember how Eric treated me like family and was always so kind to me. We use to live down the street from Gram's when we were younger so I got to spend a lot of time with him. I met Eric when he was around 6 years old because my brother Eric and Eric P played football on the same team. The ballpark was all of our second home. Dana and I were close friends and so we're my brother Eric and Eric Parker. I got to watch him grow up. Eric was an amazing person and I am blessed that I got the time that I did with him. I'm praying for all of you Parker's. I love you all and miss you and won't ever forget how you all took me in like family and treated me so great ❤️🙏
