

Michele Byars

March 4, 1976 - January 19, 2022

Michele Pond Byars, age 45, of Clay, went to be with her Lord and Savior Jesus on Wednesday January 19, 2022. She was definitely a one of a kind woman. She was super smart and had a natural talent for crafting and creating. She also had a big caring heart! She will be remembered fondly for her love of yarn, as she was a master at crocheting and knitting. She joyfully worked on many different projects for designers through the years and some of her works were even published in several crafting and crocheting publications. She also had a love for all things Disney and was a tremendously avid Star Wars fanatic. She will be remembered most, though for her love for her children, Kayleigh and Nick. Whether it was Kayleigh's dancing and archery or Nick's Miracle League baseball, she did everything in her power to make sure that her kids were taken care of and that their dreams could come true. The most important fact about Michele was that she knew Jesus Christ as her Savior and because of that fact, she is now at perfect peace in his arms. She leaves behind her husband Brian, daughter Kayleigh, son Nick, many family members and many many more friends who loved her...more than she ever knew on this side of eternity.
