“ Michelle worked for me for two months prior to her home going. Despite her own struggles, she was unrelentingly cheerful. She seemed to have the gift of discernment for others sadness. I only knew her a very brief time, but I will never forget her kindness and love for the LORD and others. She especially spoke of her love for her grandmother. Rest in peace, dear one.

“ The most amazing soul I've ever met. I miss you terribly. I am thankful for the 3 years I got to spend with you. Most people never experience the kind of love that we did. I am forever grateful for that. Max misses his best friend and so do I. You would be proud of how far I've come. My clean date is your death date. I owe you my sobriety. Looks like you saved me after all, baby. I won't let you down this time. I can't wait to see you again baby. I miss you. I love you more.
