“ Aunt Carl

*Was a very loving, Kind, caring, and beautiful lady. A few weeks ago we talked about how she would burry home from school to brush and play with my hair. I will miss my phone calls with her and learning more about The Dickerson Family. Her family is very loving and always loved being around her. Aunt Carl you are gone from our sight too soon but we will never forget you and we know we are all
On God's Time. Rest in Peace with all your loving family who were there to greet you at the pearly gates.*

“ I don't have one specific memory of Aunt Carl but I do know I'll never forget that beautiful face and especially the warm, sweet smile she always had. When she hugged she hugged from her heart. She truly treasured her family and I know she held on for them. I pray the family finds peace and comfort in knowing she is resting in a much better place. I love you all and just know you are in our prayers 🙏👍👍

“ Aunt Carl was such a kind, sweet, loving, and beautiful person. She is in Heaven with her 3 sisters, 2 brothers, Mother, father, and all the many other wonderful family members and friends that she loved so dearly. I saw her a few days before she went to Heaven and we shared our love and I am so thankful for that. My heart and soul are at rest with that visit and she is resting in peace and my heart is at peace with that visit. I will always cherish the memories, of you brushing my hair when you got home from school every day.... And I will always remember how much we loved each other. You are such a precious Aunt and I will always cherish your life and what it meant to me. Now- you are walking those streets made of gold and you deserve every step you take. The Lord has you safely at HOME now. Sheila
