“ I worked with Tilly at Quintiles (now IQVIA). She was one of the rare managers I worked with who truly loved her team. She always prioritized the needs of others and was a delightful, happy, compassionate, humble, and approachable person. Tilly - you were equally strong and kind, and were a great example of what it means to be a nurse. Our profession has lost a wonderful shining star....Your family will be in my prayers.

“ Dear sweet Tilly, we will miss you so. Gatherings will not be the same. I'll never have a glass of wine again without thinking about you. We will go on, and celebrate the life we had with you. So many events still to come, and I will think of you at every one of them. Thank you for being part of my life and loving my family so.
