“ A more delightful woman one could not know. Every memory I have of Nita is positive and overflowing with love and grace. When my wife Kathryn met Nita the feeling was the same...as if she'd always known Nita. By the way, my first official 'date' with Kathryn was to an evening meal at Nita's table. For Nita to take in a homeless seminary graduate (me) with few prospects says a lot about her heart. I knew she believed in me...even if i was a foreigner (from South Dakota). Speaking of that, while hosted in Nita's home I received a phone call from my mother in South Dakota. Nita answered, held the phone to me and said "Jeff, there's a foreign lady on the phone." We've never forgotten that memorable 'cultural' story. Nita was southern, through and through. I'm glad to have known her 'southernness,' and to have brought some of my Scandinavian 'otherness' to her experience. Nita, you will always be with us! Love ya, girl! Love ya lots!

ME

My prayers and deepest sympathy go out to you, Greg, and Nita's entire family as I know she will be missed. She was such a loving and caring person. We met in our little neighborhood in Snellville GA. and became friends right away. I felt especially honored when Nita asked me to be her matron of honor when she married our friend, Greg Browning. I was so excited and so happy for her. Love you Nita and glad you're feeling better now. Thank you Greg for making Nita so happy and taking such good care of her.

I always enjoyed having classes with Nita while attending Avondale High School in Georgia. It looks like she had an abundance of family and I know you will miss Nita. My deepest sympathy to you all. Margie Hixson Robinson
