“ Ms Nora was the sweetest, kindness person. She and Clyde treated me as one of the family each time I visited with Melba Loftis. Heave has gained a true angel.

“ So sorry, Susan. I remember Nora as such beautiful, elegant person. Home was always immaculate. We used to “play” with the doors. Remember? Can’t believe she was almost 100. My Mom is 93—dementia. Nursing Home, can’t visit —virus. I pray you were with Nora.

“ In 1962 I moved to Cherokee Springs when my father became pastor of Cherokee Springs Baptist Church. I was a frightened, pre-teen girl. I met the Ware family who welcomed me into their family and loved me. I became best friends with Susan, their daughter. Nora was always elegant, loving and kind! Nora and Jesse included me in many of their family activities. Susan and I spent a lot of time together going places and having fun. We were together almost every day. Nora was like a second mother to me. My mother and Nora became close friends. Both of them shared the same faith in God, love of their families and doing for others. I cherish every precious moment I shared with this family! A few years ago I found out Nora's phone number and I called her. We talked on several different occasions. Her memory was amazing! We talked about old times and loved ones who had died. We laughed a lot and cried a little. I was saddened when I heard Nora had passed away but I have to rejoice too because I know she's in heaven!! Precious memories, how they linger! Susan, I still love you and I think of you often! Thank you for letting me be a part of your family! My loving thoughts and prayers are with you and your family during this difficult time. Love and prayers always! Jessie Bullington Powell
