“ *Our deepest sympathy and prayers for Paighton's family. Asking JESUS to wrap you all in his loving arms and help you thru this valley of death.*

We sure loved our Paighton and enjoyed every visit. I always loved hearing her talk of her family and most of the time she was showing pictures. She was always so kind, respectful and fun.

We have so many fun memories of Paighton visiting us at the lake with Bug. She loved to fish and boatripe, sing on the boat. Paighton was often included in our family gatherings because she WAS family to us all. Always was a ray of sunshine.

We sure will miss her.

“ I loved sitting with her at her mother's kitchen table just talking and her beautiful smile. Being her mom's friend for over 40 years I was blessed to see her even before she was born. While home on a visit, I made my usual visit to my best friend's house, and Charlain had just gotten a sonogram and had the video. Here was a precious little girl coming. I was so happy because my own little girl was about 11/2, she was running all over the place while Charlaine and I watched the video. When I would come into town I would see the Houston Family, Paighton no matter what wouldn't just say hi she would sit and talk. Even when she was little. I always enjoyed that. And she posted such inspirational posts it was amazing how each one had such meaning in that moment. The other thing about Paighton was her general caring for everyone in need, she reached out to my son and was a sweet friend when at the time he needed one. Paighton was a bright light here on Earth, and the testimony of her is shining even brighter. Thank you Paighton for being a fighter, a child who always sought God even when things were hard. Thank you for praying with your mom over me on the day of my own mother's death. I will always be grateful for you. So proud of you and so glad you made it home. Love you! Kim Dudley
