

Pamela M. Daniel

November 1, 1948 - December 16, 2020

When thinking of a word to describe Pam all we can think of is love. She passionately loved her husband of 49 years, Don Daniel. They had a wonderful God-centered marriage. She took excellent care of him throughout their marriage and they enjoyed spending time together whether they were vacationing, working, playing on the lake, or just sitting home watching tv. She loved her daughter, Tara Buchanan, with her whole heart. They were best friends and always shared a close relationship. She loved her son-in-law, Danny Buchanan. He was like the son she never had and they had fun teasing each other. Pam loved her grandchildren, Blake, Cole, and Lauren Buchanan. They were the light of her life! She was always involved with them and rarely missed an event. She was at hundreds of baseball games, basketball games, football games and cheer competitions and she planned months ahead to make their birthdays and holidays special. She was so proud of each of them. Pam also loved her sisters Becky (Keith) Johns and Sandy (Greg) Blake. They were fortunate to remain close as adults and often got together and enjoyed playing games or just talking. Pam loved her sister-in-law, Diane (Jeff) Moody. They've had a lifelong friendship that preceded becoming family. Diane actually introduced Pam and Don. We will always be grateful for that! Pam's nephew Colton (Kelly) Blake and her great nephew Brooks were the highlight of her life during the last several months. Pam loved her friends. She loved spending time with them and talking to them. She was very kind and compassionate and was always preparing meals for those who

were sick or in need. Pam loved her parents and was preceded in death by her father Lionel McIntosh in 2005 and Jean McIntosh in 2020. We know that they are rejoicing in heaven at their reunion. Most importantly Pam loved God and knew Jesus as her Lord and Savior. We can only imagine what it must be like for her to finally be in His presence!! We have faith that we too will celebrate with her in Heaven one day! Until then we love her and will miss her desperately!

“ I was Pam's nurse for years, and she was always such a joy! Her smile, her kindness, her faith, and her love for her family could light up a room! I am so shocked, and so sad, to read of her passing. There are not enough words to describe how much I enjoyed Pam, and how sorry I am her family will be without her this holiday season. She is in the hands of God, happy and healthy, but my heart still hurts. Many prayers for the family...

“ We met Pam and Don during their Hilldale Years. Pam was always joyful, laughing, and encouraging. Her charm was contagious. It was obvious to anyone she loved her Lord, Husband, daughter and son in law. Don and family, We will be praying for your comfort and peace, even in the realization that she is with our Lord, and The Party Is On!!!. May you find comfort and joy in the middle of your grief and loss. God bless you all

“ *We have many wonderful memories of time spent with Pam and Don. One of the best times is when we went to Gatlinburg several times in November with other friends. We did a lot of things during the day but coming back to the rooms at night and just talking for hours, laughing and having fun meant so much to each of us. Pam's infectious laugh would keep us laughing more. She was truly one of the sweetest, kind and caring people we knew and brought joy to everyone who met her. She will be missed by everyone who knew her. We continue to pray for Don and the entire family. Love you all, Larry and Diane Key* ❤️

“ *It was such a wonderful opportunity knowing Pam and worshipping and serving God via the Youth at Hilldale Baptist Church. We had fun playing Bunco for many years. Heaven truly has become a more special place this week knowing Pam is there at the feet of Jesus!*
