“ Patricia was my Mom's room mate at Village at Cook Springs nursing home. She was a sweet woman who would smile every time I greeted her when I to see my Mom. She would not speak a lot. However, last year when VACS had the trick or treaters come to visit, she had a good time and talked a lot that evening to the kids while she gave them candy and that was a night to remember for me to see her happy. Another time, when her Chaplain came to visit her, he had a Bible devotion and sang hymns to her, she held his hand and had the most peaceful look on her face as he sang to her. I will miss you Ms. Patricia but know you have God's peace that surpasses all understanding. Praying for your family. 🙏❤️
