“ *Pat is my oldest sister. My earliest memory of Pat was when she visited when I was a little girl, she gave me Ten Books of the Bible stories. I spent a week with her when I was a little girl and we went to her church. My latest memories was each year at Christmas holidays we sent presents to her. I enjoyed hearing how she liked her gifts. I know you will be missed but I know you are in heaven because you did love Jesus and served him as your Lord and Savior. I love you . Your Sister , Theresa Bell*
