“ I have wrestled thinking of what to share here. Paul was more than a friend, he was my BROTHER, chosen family. We became close friends when our kids were along the ages ages of the grandkids now. They played ball together. Shelby a little over a year older than Christopher, Blake a little over a year younger. We became family and promised each other that if anything happened to us the others would still be parents in lives to others.
Paul saved my life! No other way to put it. Several times when I wanted to something really dumb out of hurt or anger, he was there and would talk me off the cliff. My brother is with the LORD, he has a new body, he isn't struggling to breathe, he isn't in pain. I know how much he loved his family and how much they love him and miss him. OH But The Glory He Has Now!!
I know you well enough to know you aren't resting; Worship and Work for the LORD your God who you love so dearly because HE First LOVED You!
