“ I worked alongside Allen for nearly ten years at Sherman Industries, although he owned his own truck, Allen was as one of the guys. Never acting bigger or better than the rest, just a very peaceful soul who spoke his mind, a quality i very much admired. He had a soft voice that often times cause him to repeat himself, but when you heard him he'd have you laughing so hard. He and I enjoyed fishing and talking about it for hrs! Caldwell my friend you will always be remembered and admired for the awesome human being you were! Rest easy my buddy.

“ Allen was a very quiet soul with the ability to make you aware of his feelings with just a look. I was very privileged to be with him right before he entered the pearly gates. Allen Thank you for being the person you were, a man that gave all he had to make the people around him happy. I will cherish the time spent with you and our quiet conversations about your childhood and how you enjoyed cooking. You will be missed greatly but I will carry your memory with me though all my days and I will strive to be as good a person as you. I am very glad and blessed to have known you
