*I miss u more and more each and everyday. I wish that I could have said good-bye to u be4 u left but I couldn't. It's hard on certain days when I can't go to the house on certain days and just sit and talk to u. I wish that I could've been with u be4 u passed and spent more time with u. U r the reason y I still get up and fight my days when I just want to curl up in a ball and cry. I will miss u so very much and I hope to see u soon. I lov u so much Bagdaddy!*
