

## Robbie J. White

September 15, 1965 - March 10, 2022

Robbie Joe White, 56, a resident of Argo, AL, died on March 10, 2022. There will be a visitation on Saturday, March 12, 2022 at NorthPark Baptist Church (5700 Deerfoot Pkwy, Trussville, AL 35173) from 12:00pm – 2:00pm with memorial service following immediately after. He is survived by: his loving wife of 35 years, Marie; two daughters, Darlene Grimes (Taylor), and Monica; and three brothers, Jesse, Jerry (Anne), Jimmy (Margie); and two granddaughters, Hallie and Lyla. He was preceded in death by his parents, Jesse and Barbara White, brother, Stephen White, and sister, Brenda “Nonnie” Heffner.

Robbie retired from Birmingham Roofing & Sheet Metal after 30 years of service; but his life long work was always within the church. He truly had a servant’s heart. Robbie loved and supported the church youth. It was his greatest passion. To honor his memory, his family has established a scholarship fund for NorthPark’s annual GO Tour mission trip in Robbie’s name. This trip meant the world to him and he always said, “No student should miss out on the chance to spread the Gospel just because they can’t afford to go.” To continue this commitment, click the link below to give to the Robbie White GO Tour Scholarship Fund. <https://nponline.org/give-online>

God’s true and faithful servant and a friend to all. Robbie will be sorely missed.

“*Robbie had a servants heart. I'll never forget him showing up to fix a plumbing problem for me after Ron passed. Of course he wouldn't let me pay. He was dedicated to his church and his friends. He will be missed. I know he's rejoicing with his friends and family in heaven.*

“*I'm blessed to have a life time of memories with Robbie. I'm his cousin and we grew up together living just down the street from each other. When we was in high school Robbie, along with his siblings, the other cousins and others would put on a puppet show every Saturday, in the play house at a day care (the learning tree) that his mom and sister worked at. In High School one of the things Robbie loved Drama club. We was in several plays together but the one I remember the most is where I played his Angel (deceased) wife Martha. Just a few days ago I texted him saying “ Luigi (his charter) Martha loves you” I knew that would make him smile. I also loved when he would bring the youth group to Texas for a mission trip. I knew I was going to get to see him, Darlene or Monica, with the rest of the youth and we would eat at Rainfiest cafe. I will miss Robbie's text for the holidays or special occasions.....from The White House and I would reply, the same.....From the French Quarters. The thing I will miss most is hearing his laugh and seeing his smile*
