“ Dave was always one of my favorite people. He always had a smile and kind word for you. With his background Dave was very meticulous and that certainly made him a very worthy Church Clerk. Seeing his picture on this website certainly brings back the good memories of working with Dave at Fort McClellan and at First Baptist Church of Saks. I have certainly missed Dave and Judy since they moved from our Church. I most certainly considered Dave as a FRIEND! Heaven has gained a True Saint.

“ I had the distinct privilege of working with Dave at the Military Police School's Directorate of Combat Developments for several years. Anyone who worked with Dave respected, admired and held him in the highest regard. He was not one to engage in self promotion or seek attention, but we could always count on Dave when things had to be done and done to the highest standard. He was the consummate professional who let the quality of his work do his talking. I will always cherish the memories of the time I had the privilege of working with Dave. COL (Ret) Chuck Hurlbut
