“ Sandy was a really great friend to me, Tammy and her went out their way to make friends with me when I was in my twenties. I lost touch with her and was pleasantly surprised one night at a Springville high school game running into Sandy, while trying to round up my daughter, Savannah, who was in the first grade, and running and playing. We only talked few minutes and hugged each other and told each other we love you. That has been several years ago, but I think of her often. My condolences to her entire family.

“ There are so many teenage memories that so many of us shared with Sandy. We had our first job together at Baptist Montclair at 18. We all spent so many days at the ballpark in Central Park and so many nights at the Mills compound or the picnic table at the ball park. She was a kind, loving and cheerful spirited girl.

*I pray that God wraps warmth around her family and helps them through this trying time. I know that my sister Tammy will take care of her in heaven, she always took care of us, "bossed us around" when she was here on earth with us!*

*My deepest sympathy to the entire Mills family.*

“ Ronnie, Lacy and Hannah,

*I pray God's peace for you over the loss of a special woman, wife, mother and friend. Such a great example of what we should all strive to be. Foremost, a woman who loved the Lord with all her mind, strength, and heart and her neighbor as herself. I hope you know you all hold a special place in our hearts. We will miss Sandy but its only a short good-bye. We will see her again. We love you.*
