“ Sarah always had a smile on her face whenever I would say hello at work. She always had the funniest jokes, and I loved to talk about candy and Chinese food with her. Seeing her most of the days I would go into work made me so happy. She was always so kind hearted, intelligent, and witty. Not only myself, but the company where she worked will miss her so much. She is loved by so many of us here. Prayers to the family and her during this time, my heart goes out to all of you. Rest easy, sweet Sarah.
