“ Scott was the most wonderful person, he was the father of my granddaughter Logan and he was like a son to me. If I ever mentioned anything that needed fixed or repaired he had it done before I got home. He loved my daughter Jennifer and his mother with all his heart and his children were his life. He told me some many times how much he loved me. I will miss him so much and my heart is broken

“ Scott was the father of my grandchild Logan and he was like a son to me. Anything I mentioned I needed to do he had it done when I returned home. If you were ever broke down on the road he was the one that stopped and helped you. I miss him so much.
