“ I always loved that she was smiling and laughing. I know how much she loved her mom. She was a very selfless person always giving to others. I know I hadn't seen her in years but I did talk to her on the phone. She loved all her children she took care of. There is another angel in heaven.

“ Stacy, I like to remember some of the good times we had in school. We shared alot of laughs and fun hanging out together. I'll treasure those memories forever. I'm glad we were able to reconnect online after all these years and you will be missed greatly. Praying for your family.
