“ Teresa has been our neighbor for as long as I can remember. Her always sweet spirit and ready smile were a joy to all of our family. She and her husband blended their families in ways that set an example for others. During the past year and a half, she has been an everpresent inspiration in our own personal family journey with cancer. Teresa's courage and openness were a blessing to us over and over and over again. We thank God for the life and friendship of Teresa.
