“ Mike shares a wealth of faith, knowledge, wisdom expertise and advice learned thru years of work experience and living. He shared these gifts thru a vehicle of small business ng one repair. He wouldn't charge you 1/2 of what he should have and asked that you take a moment to share thoughts under his shade tree before you departed. I will always love mike franklin and the lesson of life he confided with the each of us. He lived and touched lives forever. Makes us ask how will we be remembered ?
