“Daddy, I miss you! All this happened so fast and I still can't believe your gone. You are the strongest 73 year old man and you took great care of yourself and everyone who was around you. I am so proud of the man you are. Thank You for giving me the honor of preparing your final arrangements. I hope it's everything you would have wanted. Aunt Betty has helped me the whole way just like you knew she would. I am so thankful for you and memories of you I will cherish forever. I will continue to talk to you daily and try and enjoy the rest of my days on earth the way you would have wanted. I hope your sailing into a sunset in Heaven Dad. Until we meet again on the other side enjoy your time with family and friends who have passed before you. Give them my love, especially Grandma. Love your baby girl, Mary Beth
