“ Virginia (Granny) was one of the sweetest woman I have ever known. She would always greet me with a cheerful "Hey Aunt Sherry". I can still hear her laugh and calling Sarah and Hunter....."Hey Boogie Boogie". She has been gone to her heavenly home for almost four months now and it's still hard to believe she is no longer with us. I catch myself wanting to ask Donna how she's doing. She loved her family so much and loved to buy things for them at yardsales or something she might find on sale. She was all about a bargain! My kind of woman! Although we weren't blood kin, she was like family to me. We were always at the same family get togethers, birthday parties, Holidays. We even had a deal going whether one of us would get the b'day cake. Lol! She was a wonderful lady with a lot of spunk about her. I know she is missed so by her family, as I miss her too. Rest in Peace Granny, We will see you again one day!

“ I remember Virginia as always being sweet to everyone and always smiling. At 4th of July get togethers at Jerry & Donessa's she was always helping any way she could and happy to be there with all the family. Such a sweet, sweet lady and proud grandmother.

It is such a rarity these days for someone to be so unselfish and always put others ahead of themselves as Virginia did. She reflected the love of Jesus to everyone who knew her.
