“ My prayers and condolences to Doug's family. I haven't seen Doug since graduation. One of the Inglenook boys. Doug lived two houses down from me and we went to school together all the way through high school. Doug ran track in grammar school and he was fast. He also had the fastest bike in the neighborhood. None of us could out run him. He treated his bike like it would be his last, always clean. Miss you old friend and the good times we had. God Bless you all!
