“ Mike and I have been friends since about 4 or 5 years old. One when we were still pretty young I thought he spit on my shoe. So I wanted to fight and Mike's brother Alton and my brother John we're trying to get us to fight . Mike kept saying I'm gonna get mad in a minute ! We didn't fight and I never saw Mike mad ! He was a great friend to me and I will miss him !

“Loved talking with Mike but the thing that drove me crazy was, Mike was so smart and had a memory of a elephant,,,but anyway he would ask me a question like if I knew who the quarterback for Alabama was in 1965 and I would answer him by saying who is the quarterback now? I loved him,,,when we was both working I would talk with him at the storeroom where he worked at for a hour till my boss ran me off,,he was a dear friend and I will really miss our times of talking and sharing memories,,,,,
