If you knew our dad you know he lived a life with purpose. He was always up for an adventure which usually resulted in injury. He had the heart of a servant. He served his country for four years in the US Navy as a radarman and operations specialist. He served the Lord faithfully for 37 years. He never hesitated to share his faith with anyone and everyone. His smile was contagious and he never met a stranger. He was a kind and humble man who loved his family fiercely. One of the greatest examples of love he showed us was how much he loved our mother. "Lord my God I called to you for help and you healed me"-Psalms 30:2. On August 13th Dad received his ultimate healing. We know dad is dancing in Heaven with his Maker. We can't wait to

join him one day. Until we meet again, Dad, we will continue to spread your infectious joy.

In lieu of flowers the family has asked that donations be made in Mr. Henderson's name to Pavilion Village: <https://info309256.wixsite.com/pavilion/about-3>

“ As a former shipmate on the USS Truckee serving with Jimmy it was with sadness to hear of his passing! I can remember seeing him wearing the foo-man-chew mustache and with me being from Tennessee and him from 'Bama we would always ride each other especially when the game was the 3rd Sat in October. My deepest condolences to his family. He was a very personal shipmate and will be missed by all who called him friend on the Truckee. SM3 Terry Byrd- served 7/71-7/74!!!!

“ *Donna, Joe and I are heartbroken for you and your precious family. I enjoyed every minute I worked with Jim over the last 11 years. Joe and I always looked forward to seeing you both each year at our Christmas parties. You all did such amazing work and you all had such amazing stories to tell about all of the ways you served the Lord. Every year you all imparted great words of wisdom in such subtle ways. You and your family will always be in our thoughts and prayers. May you and your family find comfort and peace through God's grace and mercy. Much love, Joe and Kelly Comerford*

“ *I had the pleasure of working with Jim for the last 3 years. He was an incredible person who loved and cared for everyone he met. You never saw Jim at the shop without a smile. I've learned a lot from him and am honored to have called him a friend. He will definitely be missed by many.*

Donna - you and Jim are two of the kindest, most thoughtful people I have ever met. Jim and I worked together for almost 11 years! During that time, I always looked forward to every Christmas party as I knew both of y'all would impart great words of wisdom in your own subtle ways. I always loved to hear the stories of your mission work. My heart breaks for you and your family. May you and your family find comfort and peace through God's mercy and grace. Keeping you all in my thoughts and prayers always. Much love, Kelly Comerford
