“ Oh my dearest Grace and family. I was so heartbroken to know that you've lost your dear husband, Father and grandfather. I can't call our time at the dialysis center a good time. I can say that Dale and I were blessed to have made so many good friends there. I have never stopped thinking about you all. And I will always love you. Your family has each other to stay close and remember your good times. As for you Grace, in time you will realize that he is still inside you and will always be there. May God bless you and your family

“ I remember growing up William always leading the singing at Argo Baptist. He had a really great voice. He was always joking and laughing. He came to put up a gate at the daycare where I worked and I got him to talk to my kids about being good, they thought he was Santa.
